Experience

Application Developer LuxuryRealEstate.com Seattle, WA (Remote) – June 2016 - Present
- Maintain LuxuryRealEstate.com, inquiry CRM, custom report generator, membership directory generator, real estate listing manager & RESTful API (maintains resources) — all Rails apps
- Major refactoring of legacy code for report generation, inclusive of upgrade Rails version
- Built out ability to use Google Maps to manually set a listing location

Full Stack Developer MUBI, Inc. San Francisco, CA – Jan 2016 - June 2016
- Moved from a strictly front end hire to leveling up across the Rails/Backbone stack
- Worked with nontechnical staff around the globe to provide solutions to the growing pains of a start up for both the admin site as well as their customer-facing feature wishlist
- Took advantage of team knowledge to better understand our custom built CDN as well as deep Rails concepts from a few of its core contributors

Developer meansdatabase.com Washington, DC — Oct 2015 - May 2016
- Maintained & built features (such as text notifications) for a non-profit Rails site

Sales & Marketing Days of Wonder Los Altos, CA – Oct 2012 - August 2015
- Brand management from social media presence to maintaining simplistic & efficient product management strategies, amounting to 10+ million dollars in US revenue
- Planned & executed presence at board gaming conventions (with over 50K people in attendance) - doubled sales within a year
- Managed & trained customer service with one product selling 4+ million copies worldwide
- Domestic & International supply chain management and logistics (50+ containers/year)
- Produced & distributed complex product information in an intuitive format to global vendors

Attraction Host Walt Disney World Lake Buena Vista, FL – 2009 - 2012
- Served as a host to the culturally and generationally diverse guests of Disney World

International Experience

Management Trainee InterContinental Suzhou Suzhou, China – Summer 2012
- Contributed to one of the highest rated hotels in mainland China while gaining valuable international and quality guest experience insight.

Intermediate French Student Sorbonne University Paris, France – Summer 2011
- Developed to conversant level while interacting with a non-English speaking students

Education

Dev BootCamp; San Francisco, CA — 2015 Full Stack Developer Apprentice

University of Memphis — 2012 Bachelor's Degree Hospitality (Honors) | French Minor
